

WHEN IT COMES TO MAKING MONEY,  
THIS GAME'S .... THE

# Wiz

If you're looking for "ghosts and goblins" and other weird characters, you won't find a hotter, more exciting game than the Wiz. With hundreds of surprises, twists and turns, this game has the staying power of Mr. Do, the excitement of Pacman, the speed of Pole Position and player appeal of Galaga.

A fascinating, multi-faceted game, the Wiz offers unlimited levels of action that will intrigue players of all ages for hours.

It's the nearest thing to a cult game you can get.

So for this year's hottest new game, call today. After all, the way this game makes money it's sheer magic. Call your Magic distributor today.

**Magic**

## Instant Conversion Coupler

Announcing the most radical conversion system available.  
Designed for quick return on investments and big profits.  
It's a conversion coupler that's so easy, it's a snap.

- male to female connection
- with bracket in cabinet

This exciting system, exclusively from Magic Electronics, will give you the ultimate return on investment. Eliminates blown boards, crossed wires, power supply and monitor problems. Most of all, the waiting for your overworked technician.

Offered with optional power supply that never has to leave your cabinet again. This system will convert almost everything, so there's no need to be tied to one manufacturer. It's totally universal.

The Instant Conversion Coupler, so simple it's Magic.
